Mmm, good food. We
appreciate you.*

**Announcing...
Santa Claus is coming to town!**

On
And he's bring Mrs. Claus to Circle of
Friends after the Kiwanis Parade on
Saturday, December 10th at 7: 30. Santa and Mrs. Claus
are checking out the live nativity. They are offering to have their pic-
tures taken with all the little boys and girls (no matter what their age).
Just be sure to bring your camera. In honor of the Christmas Season we
will have home made cookies and our Circle students will have their
Snack Shack open.

Our Friend's Gift Shop will be
open offering inspirational gifts
along with beautiful Christmas
ornaments made by our stu-
dents and volunteers. Bring the
family to the downtown historic
Lake Wales district for a family
fun filled evening!

The parade has a new route this year. Check your local newspaper or
Kiwanis for more information about this event.

Thank you, 1st Presbyterian Church in Frostproof

Our young folks
love performing;
they love singing
about Jesus.

We appreciate the
love and donations
we receive from the
local churches.
Together we are
serving those who
cannot speak up for
themselves.
